Helen Keller

Mentoring Matters

Ever wanted to make a difference in someone else's life and didn't know how to get involved?

Ever wanted to share your lessons learned with someone else in a quiet one-on-one setting?

Ever wish you had someone to be your partner for a period to help you think through, plan, and encourage you to accomplish your life goals?

Ever wanted someone who “has been there” to help guide you through a special circumstance or situation?

Mentoring Matters

Throughout history there are countless stories of persons who have succeeded in every walk of life because someone else believed in them. Someone who encouraged them, and invested their time with personal reflections and shared experiences..

Life Share Christ-Centered Mentoring is that opportunity for those looking for a person to come alongside them in a structured engagement of Christ-Centered mentoring.

Likewise, Life Share Christ-Centered Mentoring is the opportunity for virtually any person to become a Mentor and to become involved in a Christian based mentoring process. Here they can bring hope and encouragement that could make an eternal difference in someone else's life.

Mentoring Matters

Christ Centered Mentoring is not a “fits all” effort. This Mentoring ministry can benefit many individuals with diverse needs. Christ Centered Mentoring at its best emphasizes the Mentor-Mentee relationship. This relationship is a broad, mutually-beneficial, dynamic process in which both parties play significant roles. These may shift from time to time but always focus on the goal of honoring God's Word and becoming more like Christ in every area of one's life. Christ-centered Mentors and Mentees, with help from the Holy Spirit, take on life's issues, challenges, and possible goals with knowledge, skills, and enthusiasm. Instead of completing a one-time Mentoring process or relationship, Christ centered Mentors and Mentees adopt Mentoring as a way of life beneficial to accomplishing God's will in their lives.

Vision Statement

Life Share Christ-Centered Mentoring is a structured mentoring engagement whose purpose is, with the help of the Holy Spirit, to help build up a person to become more like Christ through Christ-Centered Mentoring. The focus is to help strengthen and encourage them to reach out and achieve their dreams and goals as leaders in their family, church, and job.

Christ comforts us when we are in trouble, so that we can share that same comfort with others in trouble. (1 Cor: 3-4)

Mentoring Matters

Life Share Christ-Centered Mentoring engagements usually range in duration from 6 month to a year. They can be male or female, and are usually limited to those 15 years of age and older.

Training and on-going team support is provided for all Mentors entering the Life Share Christ-Centered ministry.
